# Learning from the GrowGreen Cities

## MANCHESTER

# The West Gorton Community Park

Lessons Learned

---

The Woodland

The Meadow

The Community Plaza

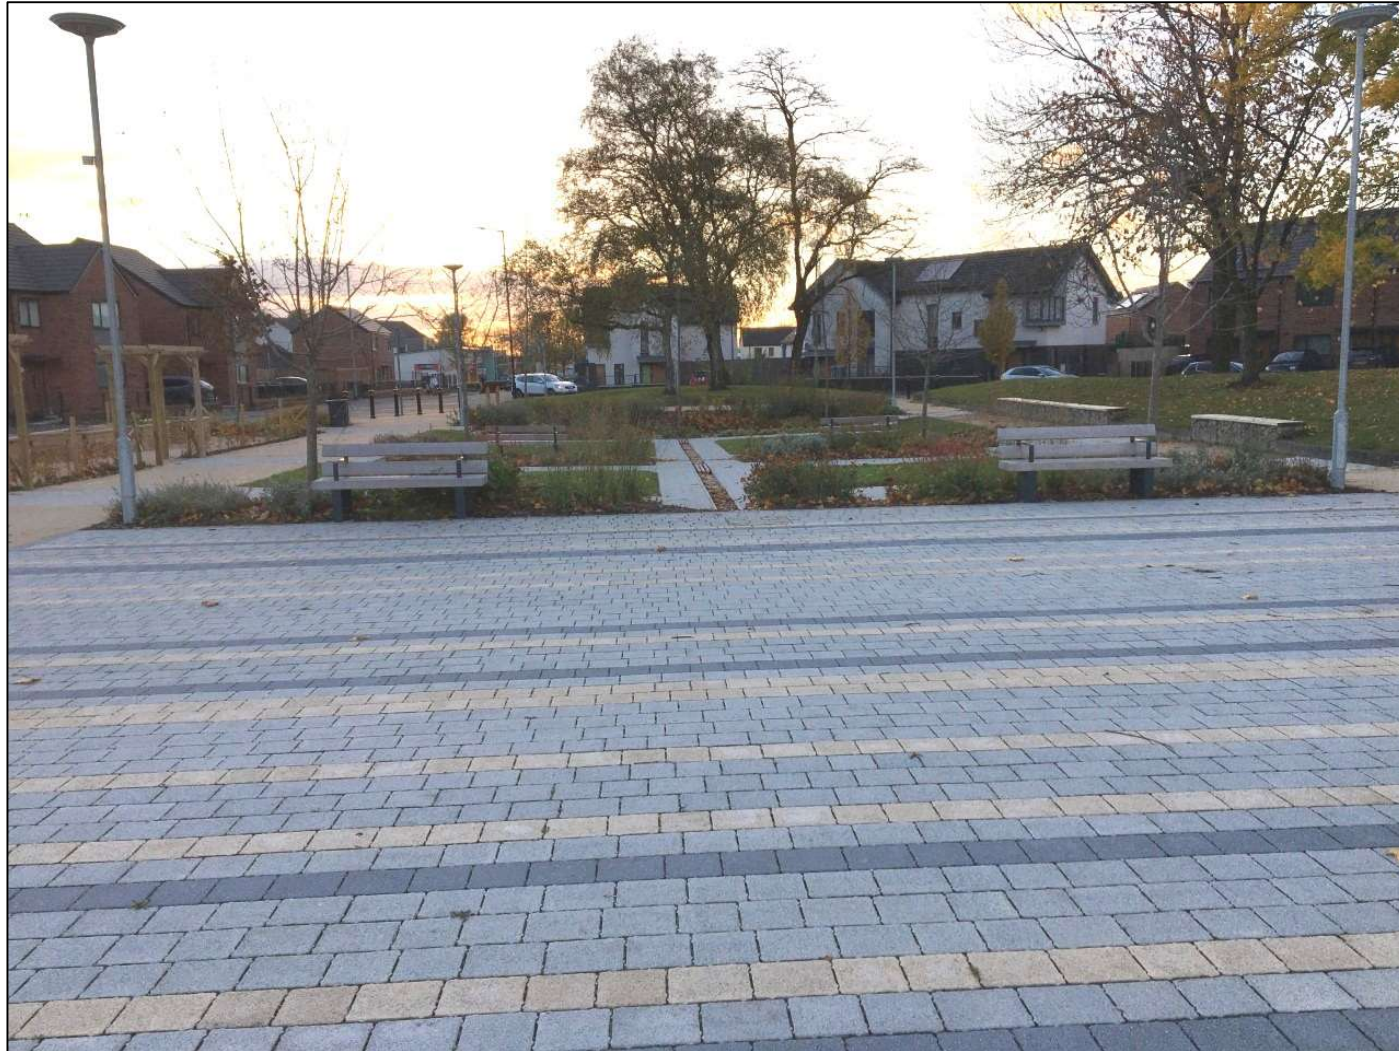

So what went well and what  
was a bit more of a  
challenge?!

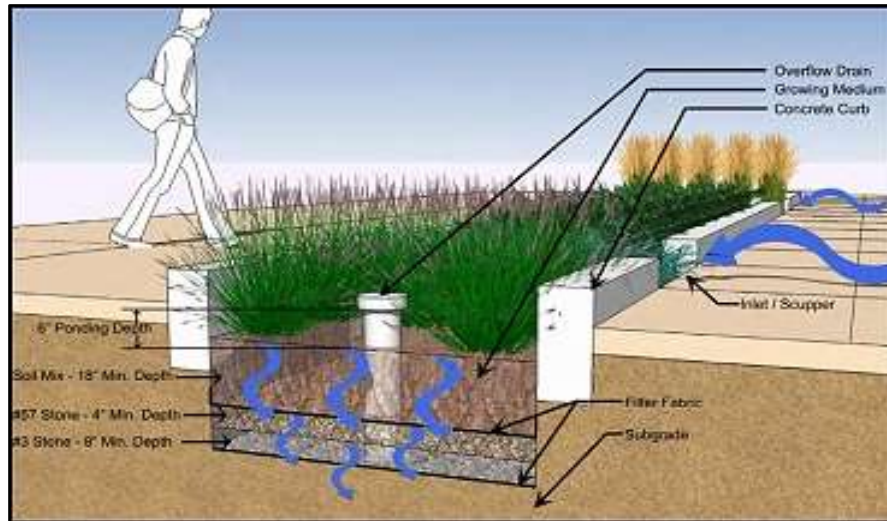

---

So what went well 😊

---

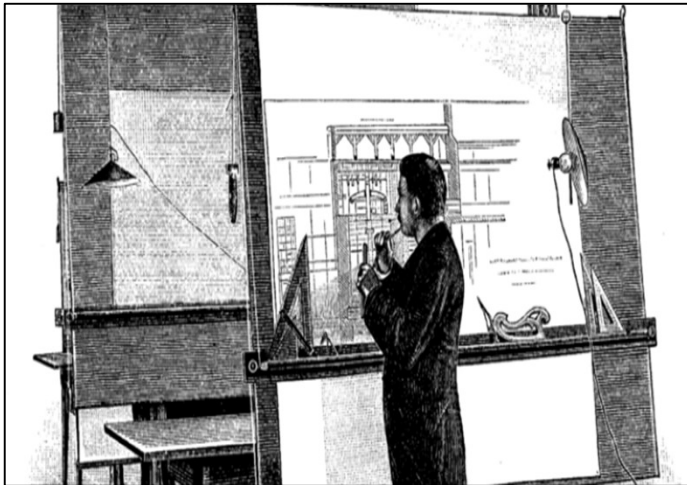

What was a bit more of a  
challenge?!

---

The  
Good!

The  
Good  
Stuff!

*Quote from a local resident Heather.*

*'My grandson said to me...I thought it WASN'T supposed to have puddles in it?!*

*Heather's response was ' I've no idea what you're on about mate! .....It's designed so that it recycles water from rain to STOP flooding!*

# Thank you!
